Dear Dental Hygienist:

We want to express our appreciation for all the hygienists who made it to the 2023 study club meetings. We hope to continue strong in 2024 and invite you to join us!

Our goal for this study club is very simple: provide accredited, high quality continuing education to dental hygienists at a low cost and a convenient location.

The annual dues for the 2024 calendar year will be \$200 (There is a discount for early registration!). We have set the dates for the 2024 CE calendar. These four meetings will be on **January 25, April 11, July 18, and November 07, 2024**. The plan is to have all the meetings in person. These meetings will include dinner and you will be awarded 2.0 CE hours. Dates are subject to change.

Please mail us the attached form with your preferred method of payment.

New members are always welcome!

You can contact us at studyclub@katyperio.com or call us at 281-392-6000. We are excited for the upcoming year and we hope you are as well!

Sincerely,

Timothy Hale DDS
